November 2015

Dear Parents, Carers and Students,

Abbey College Careers Education, Information, Advice and Guidance (CEIAG) Event – Monday 23rd November 2015 6pm–8pm on the south part of the site for Years 8 & 11

I am very pleased to invite you to our CEIAG Event to be held on Monday 23rd November on the south part of the site, with a formal presentation in the North Hall.

This will be the key opportunity for you to talk to specialist staff and students about the exciting range of subjects on offer for your child as he or she will be starting GCSEs and BTECs in September 2016.

If you would like to attend a formal presentation during the evening, one will take place in the North Hall at 6.15pm. The presentation will outline the Selecting Subject Preferences process and help inform you of how to go about making the best choices.

You are also welcome to visit the stands in the Gym and Science (Ailwyn) block, where external providers will be on hand to show what is available for those wishing to pursue further education at University, vocational colleges and apprenticeships. This will be useful for all students so they can focus on long term goals.

Subject stands will be located in the South Hall and the Oswald Building. Please enter the site and register at the gym. Maps and information booklets will be available on registration. Please arrive in plenty of time as there will be much to see and discuss.

We look forward to seeing you.

Yours sincerely,

Dr L Newman
Deputy Headteacher

R Askoolum
Assistant Headteacher
