Dear Parent/Carer,

We would like to offer your son/daughter an exciting enrichment opportunity before they embark on their journey through Sixth Form at Abbey College.

We are exploring the opportunity of enrolling year 11 students onto the Duke of Edinburgh's Gold Award, which will give them many different challenges and experiences as they progress through their final years at Abbey College.

Through the Duke of Edinburgh's Award, students will be completing five sections which are: skills, physical, volunteering, expedition and residential. There are many different activities which can be completed in each section – some may say the possibilities are endless.

In this first instance we would like to know if your son/daughter would be interested in an opportunity like this. If they are, please return the slip at the bottom of this form and return it to Miss Beel (M05) or Mr Robinson (E8) by **Thursday 17th March 2016**.

If you would like more information on the Duke of Edinburgh's Award, you could visit <http://www.dofe.org> or feel free to contact Miss Beel or Mr Robinson with any questions you may have.

Many thanks for your time and support in this adventure.

A Beel
