

Letter 2- A Practical Guide to Success in Year 11

LNE

10th October 2016

Dear Parents/Carers,

It is excellent to see so many of our Year 11s preparing themselves for their impending Trial Exams. Students have already begun revisiting their learning plans.

Did you know:

- Your child will need you now more than ever, as the examinations in Year 11 are getting closer?
- You can come along to a presentation: 'A Practical Guide to Success in Year 11' (with your child) and improve upon strategies for just how to help? We will be presenting this on Tuesday 18th October and Wednesday 19th October (both 6-7pm).

In previous years we have had some excellent feedback;

"Thank you – I now know what to do and what not to do with my daughter."

"You seem to know exactly how my child is and I now know how to help him and what to ignore. I didn't realise that all the other children react just like mine. I now understand the stress"

"It was so reassuring seeing my child react to what you said, because you were saying all the things I had been saying at home, but falling on deaf ears. Maybe now my son will listen and achieve his potential."

If you would like to attend this presentation, please complete the short online form below: <https://goo.gl/forms/QPPVb25Y3A2Pzqj1>
