

SRA

28 April 2016

Dear Year 13 Student,

Leaver's Photographs

To mark the end of your school days at Abbey College, I have arranged for a professional photographer to take a Class of 2016 photograph, individual portraits and/or friendship group shots. The photographer will be in school at 10am Tuesday 3 May 2016. I appreciate this is short notice but with exams imminent it is the best time to have you all together. The shoot will take place in front of the Abbey Building wall on the playing field, or if it rains in a suitable indoor location. Please dress smartly and appropriately according to the dress code.

The photographs will be available for purchase on-line and the prices are typically as follows:

- Panoramic prints
 - 5x10 £7.99
 - 8x16 £18.99

- Standard prints
 - 6x4 £4.49
 - 12x8 £9.99

- Downloaded image of individual student photos
 - £19.99

The photographs will go into a password protected gallery where you and your parents/carers will be able to access and buy images and prints. Once the photographs have been taken I will publish the link and password which will give you access to the gallery.

I would hope that you all will come and attend this session and help make a memorable keepsake of your time at Abbey College.

Yours faithfully

Mrs D Neal
Head of Sixth Form
