LAR

23<sup>rd</sup> October 2015

Dear Parent/Carer,

The first of the Year 7 Maths assessment tests will take place in the week beginning 2nd November 2015. This will consist of one written non calculator paper. This baseline test will focus on written methods and problem solving. These results will be used to assess your child's current mathematical skills.

After the test, a small number of students may move up or down a set. This will be based on the result achieved in the test, together with classroom performance.

Students are expected to bring the correct equipment to the exam.

Yours sincerely,

*Dr Oswell*
