Year 12 Work Shadowing

Please can you make sure you speak with Mrs Neville regarding your Work Shadowing – you are all able to take **up to 3 days** during this academic year, whether this be in person or virtually (opportunities are advertised in these bulletins). It can be during term time or during school holidays. You will need to fill out a form which can be collected from Mrs Neville. Please make sure it is relevant to your future pathway, if you need help please ask. Everyone is expected to do something.

Message from Mrs Moore:

As we finish this term, the end of our time with Year 13 draws closer. While we know they are excited to begin their next steps at university or college, on gaps years or in apprenticeships or employment, they first must navigate their final exams. Whilst Study Leave begins on Monday 12th May for most students, Study6 will remain open for Year 13 students throughout May and June and their teachers will remain available to them in their scheduled lesson slots.

Important Notices

- Please ensure you are wearing your lanyards at **ALL TIMES** on site. Return borrowed lanyards ASAP.
- Mobile phones and headphones are only permitted in Sixth Form areas. Staff will have to enforce the school behaviour policy if they are seen elsewhere.
- Please sign out **WHENEVER** you leave the site. Sign back in if you return.
- Ensure you **ALWAYS** close the North Gate behind you.
- Please be reminded that the Sixth Form dress code does **NOT** include joggers or **crop tops**.
- There is **NO** eating in study 6 except at break and lunchtimes.

Open to year 12 & 13

Are you interested in pursuing a career in engineering, science, or anything to do with STEM? Would you like to gain some rare and invaluable work experience with multiple global FTSE companies? If so, we have the perfect opportunity for you!

We are excited to announce that on Wednesday, 16th of April from 9am - 3pm, we will be hosting a virtual work experience day with Spectris, Malvern Panalytical, HBK and Servomex! Spectris are a FTSE company and own all the other science and engineering-based companies mentioned above. Collectively they operate in over 30 countries, employ over 7,500 people globally, and have generated a revenue of over a billion pounds as of 2024! Each of the companies Spectris owns specialises in a very specific areas of science and engineering and during this work experience day you will get the opportunity to take part in workshops and network with each of their companies.

Participating in an event such as this will not only allow you to learn more about industry, but it will also give you a unique opportunity to gain valuable experience that will be beneficial for adding value to your CV and LinkedIn profile. This will show employers (including Spectris) that you are proactive and looking to develop your skillset before entering the workplace, which can help you to be recognised as an ambitious and motivated individual as well as allowing you to stand out from other students.

Please sign up for this incredible opportunity, by using the registration link below. After the event you will receive a certificate that you can use on your CV's and any job applications that you make.
