Sixth Form

Ramsey Gatehouse Sixth Form Bulletin -
December 2025

Happy Birthday: Danny (17), Eoin (17), Evie (17), Vincent (18), Lottie (18), James (18), Logan (18)

A VERY MERRY CHRISTMAS and Happy New Year!

Message from Mrs Moore:

As we wrap up the first term, it's been inspiring to see our Sixth Form students in action!

Year 12 have come together to create hampers for Ramsey Food Bank, spreading festive cheer in our community. Meanwhile, Year 13's Fundraising Team has been working hard to support charities and plan an unforgettable Summer Ball. Year 12 have also benefited from sessions with the University of East Anglia and the University of Sheffield, focusing on resilience, critical thinking, and making the most of Sixth Form, alongside valuable Social Studies workshops from CASUS and St John's Ambulance. Year 13 continue their preparations for final exams and exciting post-18 destinations.

Thinking ahead to next steps: In January, we'll be launching a trip to Anglia Ruskin for an Apprenticeship Discovery Day and introducing work shadowing opportunities for Year 12. The Christmas break is a great time for students to consider which field they'd like to explore and start making contact with potential employers.

Absence reporting reminder:

All absences must be reported by parent/carer, either through MCAS, by emailing office@ramseygatehouse.co.uk¹ or calling 01487 811316 (8:30 – 16:00)

Planned absences - 1 weeks' notice is required and if this is a medical or dental appointment then a screenshot or copy of the appointment confirmation will be needed to authorise the absence.

Unplanned absences – these need to be reported as early as possible but must be with us by 10am, any late notification will be unauthorised.

¹<mailto:office@ramseygatehouse.co.uk>

Reminder - Inset day Monday 5th January 2026

Up and coming opportunities not to be missed!

FUTURES FOR ALL

 Remote Work Experience

6th - 10th July 2026

9.00am - 16.00pm

Age: 14 - 19

Apply by:
20th May 2026

Behind the Bars: Uncover the Science, Technology and Innovation of Cadbury Chocolate!

5-Day Remote Work Experience
With Mondelēz International

Experience the full product development process and design your very own chocolate product! -More Info [Click Here](#)

Go behind the scenes to see how we develop brand new chocolate products in the heart of Bournville, Birmingham.

Learn from Product Developers how we come up with new product ideas. If you could create a product what would it be?

Gather data with the Consumer Scientists to learn if consumers like your product.

Think about how your product will be made and the role of Process Engineers & Packaging Designers in this.

Understand how we ensure the Quality and safety of our products is maintained.

Learn about Sales & Marketing- how will you advertise your product?

Join us "Live from the Lab" as we uncover the technical analysis involved in product development.

... and a special session from our career's team on employability skills!

[Click Here to Apply - futuresforall.org](https://futuresforall.org)

Back by popular demand! **5-day Remote Work Experience placement, with Mondelēz International!** The company who brings you iconic global brands such as **Cadbury Dairy Milk, Oreo, Ritz, Belvita, Hu Kitchen and Philadelphia**, to name a few!

I have provided an overview of the key takeaways for the placement below. If you would prefer to just jump in to view the placement advert and student application page on our website, you can do so here – **Click Here**²

The placement is perfect for students interested in, but not limited to:

- STEM
- Design
- Marketing
- Innovation
- Food and Hospitality
- And of course, Chocolate.

Throughout the placement students will hear from the people who experiment, design, test, and market some of the world's most popular snacks and chocolate bars!

Students will hear from and learn about:

- Product Developers – With a **“Live from the Lab”** session
- Consumer Scientists
- Process Engineering and Packaging Designers
- Sales and Marketing
- Quality and Safety Assurance
- Health and Nutrition
- With a special session from the Mondelēz careers team on employability skills!

Learning about the huge variety of jobs and career paths in the food industry, whilst developing a host of key employability skills, students will work with young people from all over the country on a project to design and market their very own chocolate bar! **With a prize for the best product and presentation at the end of the week.**

We have proudly worked with Mondelez for a number of years, continually developing this placement to ensure young people take the absolute most away from it. We have had unbelievable feedback from students and educators on how valuable, engaging, and enjoyable this placement has been, and don't want your students to miss out this year.

The placement will take place in the summer term, but due to its historical success and popularity we are opening the placement for applications now, so students can have every opportunity to apply! **Please encourage students to apply as soon as possible! Please be aware that Mondelez reads every application carefully and has a careful selection process, so please ensure applications are detailed.**

Students can apply to participate in the placement here – Click Here³

Below you will find a general overview and details for the placement:

Age Range: 14-19

Dates: 6th – 10th July 2026

Times: 09:00 – 16:00 each day

Application Deadline: 20/05/2026

Applications are now open for the Year 12 Research STEM programme. This is a valuable opportunity for students interested in developing their skills, gaining hands-on research experience, and strengthening future study or career pathways in STEM.
